The last Café date for the school year will be on March 22nd.

Need Volunteer Credit? Join TAB!

The Teen Advisory Board (TAB) is geared towards area high school students who want a voice in library programming and purchasing. Other responsibilities include helping with youth library programs or in the community when needed. Active members of TAB are eligible to earn up to 15 hours of volunteer credit per year while meeting and sharing ideas with other students. Pizza and pop will be provided at every meeting. See a librarian for more information and for an application. Meetings are held the second Tuesday of every month beginning in October from 4:30-5:15.

Teen Café News

Teen Café will continue on Tuesdays this year with a slight time change. Teen Café provides an area where local residents in **grades 6-12** can hang out at the library. Every week, beverages will be available (students can bring snacks to eat in the community room) such as hot chocolate and lemonade, free of cost. There are a variety of activities offered such as Wii games on the projector and board games, or students can just visit while listening to music. A librarian will be on site to help teens locate library materials that they may be interested in (CDs, DVDs, books, graphic novels, etc.). As with all library programs, this is a free event. **The Teen Café is open every Tuesday that HVS Schools are in session from 3:30-4:30pm until the end of March. No registration required...Just stop in!**
