The Milford Public Library offers programs for all ages as a means to encourage library usage, to promote library materials, to provide information, and to extend library service to the community. Due to the nature of some programs, advanced registration is required. When advanced registration is required:

1. The first seven days of registration are reserved for individual residents and taxpayers of Milford Township. After this period, registration may be accepted, provided that space is available, from residents of the Library's cooperative service area.
2. Registration may be made by the Library's online event registration, by phone or in person on a first come, first serve basis.
3. Any participation requirements must be reached by the beginning date of the program.
4. No group registrations will be accepted. (The Library offers specialized programming for groups from our official service area upon request.)
5. The Library reserves the right to cancel any registered program that does not meet minimum registration requirements.
